Next year George will be a civil engineer from Tech. And Meredith is studying Home Economics at State.

If you were their parents, wouldn't you consider that a pretty good background for marriage? Boy with a promising profession! Girl with a sound grasp of the family budge!!

But should we be so naive? What they study in college is foreground, not background. It equips our sons and daughters for the immediate opportunities and obligations the future presents.

The permanence of love is not rooted in engineering or economics.

Designing bridges and planning menus are not keys to a lasting happy

Personal character determines the ability of a man and woman to meet the demands of sacrifice and unselfishness that marriage requires. The Church molds character as it builds fasth. For character is one of the by-products of faith...

. . . The ability to love unselfishly is another!

Mr. Joe Adams, left. in charge of all perishables purchased and sold by the more than 600 retail outlets of Winn-Dixie Stores throughout the South. Sam Senter and Kelly Willis of South Bay Growers.

Mr. Adams, accompanied Nr. J. C. Koon. in charge of produce, together with fifteen other key executives of the organization visited the Glades this week by plane.

We want our men to see the fields from which the several millions of \$ \$ \$ of Glades vegetables come, and to know the farmers and packinghouse Iolisk from whom we buy' says Mr. Adams.

This trip is an annual affair of the organizations operated by Davis Brothers Florida boys.

According to Webster, means slight of hand, which has absolutely nothing to do with the drapery business, but it does draw attention to our ad-

Van Cothern's, in Clewiston, has installed the most complete drapery department around the lake. Florene, our seamstress and decorator, is most adept, having many years experience on the east coast. Draperles and slipcovers are her business. Give her a try and I think you will

In order to establish ourselves in Belle Glade in the drapery field as we have in upholstering in the past ten years, we are offering unusually low prices at this time. Florene will be most happy to come to your home, day or night, give free esti mates, bring samples and help you with color and fabric selections best sulted to your needs and taste.

Our shop in Clewiston is open for your inspection and service every day except Sunday and usually every night until eleven. For your furth er convenience you can call 996-6351 in Belle Glade or YUkon 2-5831 in Clewiston, collect.

We also offer complete custom rod installations, hundreds of samples to choose from our drapery books. Usually we can offer one week delivery, though this is not always possible.

All we are asking for is a chance to prove our ability. Now would be an excellent time for you to consider new draperies - we are most anxious to please. No job is too large or too small.

What "Foundation" Shall I Choose?

Limit One With \$5.00 Order

Each of us must build our lives according to the choice each makes as he choose his type of foundation.

If you want a firm foundation - sound footing for a lifelong walk here it is-

The man who stands upon The Bible as his foundation selects firmness - strength - which endure all the storms of life - The Bible serves as a compass to guide you; a blueprint for better living - It is filled with "Do's" and "Don't" that groom one for Heavenly company.

The Psalmist prayed, "Establish my footsteps in Thy word, and let not any iniquits have dominion over me."

This man's foundation points the way to go. Actually it's the Book of Life - is your name written there?

It offers peace of mind and comfort of soul to those who take it seriously - attend church regularly and read of the things it offers one to hold to when one is no longer able to hold the Book - IT OFFERS SOUND FOOTING! ! SINGER

'64 Corvair Monza by Chevrolet

(that puts superior traction under you)

Some cars do best on the highway. Others same tailor-made for eity driving.

Then there's Corvair—that gets along just great most anywhere. Swishing along a highway. Seurrying around in traffe, or wading through a soggy trail.

Take highway driving. Corvair's grie segment with thorsepower up nearly 19% in the standard version, but until you head a Corvair for some far case figures don't impress you, just wait until you head a Corvair for some far away places. You'll get the message.

Take city driving. Corvair's trains zie, light steering the sease.

CHAVCOLFT

and flat cornering make anything from tash-hour driving to parking a rineh. Take bearing down on the rear wheels gives them remarkable gripping ower on most any surface, whether it's loose, solid, dry, wet—or even snow covered. On they have the correlation of the proposed of th

Some cars do best on the highway. Others and flat cornering make anything from

wavy places. You'll get the message.

Take city driving. Corvair's trim size, light steering (because the engine weight's in the rear)

WINNING POINTS SCORED IN 1963 HASCAR-SANCTIONED COMPETITION

Ford has just won Motor Trend's "Car of the Year" Award, with a special citation saluting Ford's total performance proved in open competition.

The durability, roadability, going-power and stopping power that led Ford to victory after victory are the same traits you want for your daily driving!' Come in, test-drive a total performance winner!

How Ford Racing Helps Bring You a Better Car: Most automotive engineers will tell you racing is a valued laboratory. For example, track competition led directly to these Ford engine changes: better block, improved pistons, improved valve train, stronger connecting rods and bolts. 4

Such improvements contribute to Ford's winning track record and to total performance in your everyday driving.
